

WE'RE LOOKING FOR

PLANTING CREW TRAINERS & COMMUNITY FORESTERS

Part-time spring semester internships (March 25 to May 4) and full-time summer internships (May 14 to August 10) available for Yale graduate and undergraduate students interested in working outdoors, connecting with the New Haven community, improving the environment, and being a part of a team that values the growth of plants, people, and communities.

No experience required and paid training is provided. Candidates must be eager to learn and passionate about contributing to their local community.
